

Coaching Portfolio – Geoff Matthews

WPHU Executive Committee

July Council Meeting 2010

New Facilitators

Congratulations to both Ryan Pillay (Constantiaberg) & Jamie Kroukamp (Bellville) who successfully completed their Level 0 and Level 1 Facilitators course in Durban earlier this year. The course was presented by Fabian Gregory (SAHA) and Karel (KNHB).

Current Facilitators

Currently WPHU is fortunate enough to have the following facilitators:

Andi Bernstein (Maties), Jade Hearne (Central), Craig Sieben (UCT), Geoff Matthews (Durbanville), Schalk de Wet (Paarl Gim), Ryan Pillay (Constantiaberg), Jenny King (Maties), Kurt Cerfontyne (Maties) and Jamie Kroukamp (Bellville).

Only Level 0 & Level 1 courses presented by the following facilitators will be recognized by WPHU and all SAHA affiliates. Please report any courses not offered by these facilitators.

Course fees

Courses should cost in the region of R100 – 400 depending on the facilitator, facilities and what exactly the course offers. The official SAHA manuals alone cost in excess of R100 for both Level 0 & Level 1 courses. **Manuals should not be photo-copied and only the official SAHA manual may be used.** All other courses or complaints can be, and should be, reported to the hockey office immediately.

Coaching Database

To date we have only received information from the following clubs: Maties, CPUT Mutual, Bellville, Durbanville, Northlink. As well as the following schools: Rustenberg, WGHS, Herschel, Bellville HS.

The coaching database allows the WPHU to immediately communicate any new resources or courses to coaches and could also serve to track the coaches development in the region. We want coaches to work through the ranks and improve in the process.

Coaching Resources

There is a hard-drive available in the hockey office with some coaching resources on it. The resources include articles, coaching presentations, as well as some videos. Please feel free to pop in and download the information onto your own PC. **The hard-drive may not leave the office and remains the property of SAHA.**
