Failure to have completed match cards will result in the team not being allowed to take the field and Rule 5.4 will apply. Facsimile and e-mail versions of match cards are acceptable, in which case the club shall retain the original match cards until six weeks after the conclusion of the season. Original match cards are to be presented to the WPHU office immediately if so requested by the Hockey Manager.

7. PROMOTION, RELEGATION AND CHALLENGING:

7.1 End of season promotion or relegation will be automatic.

7.2 Between the M/LGC and M/LGR leagues there shall be automatic promotion and relegation of ONE team.

7.2.1 Should the team winning M/LGR be ineligible for promotion in terms of Rule 4.5, then the highest eligible team will be promoted provided that such a team finished within the top four places.

7.2.2 In the event of the team qualifying for promotion as described above declining the offer, then the second highest eligible team shall be offered promotion, and if they decline this offer shall pass to the third highest eligible team, provided that such teams finish within the top four places.

7.2.3 Should there be no eligible team willing to be promoted then no team will be relegated from M/LGC.
7.2.4 Should the relegation of a team from M/LGC result in there being three teams from that club in M/LGR, then one of the club's teams will be relegated from M/LGR to M/LTC. Such a team will replace the team which would have been relegated under rule 7.3.

7.3 Between all other leagues (excluding age group leagues), TWO teams will be relegated and TWO teams will be promoted at the end of the season.

7.3.1 Should one team withdraw from a league then the team finishing (in that league and any league below that league) in the second last position will not be relegated.

7.3.2 Should two teams withdraw from a league then the teams finishing (in that league and any league below that league) in last and second last positions will not be relegated.

7.3.3 Should more than two teams withdraw from a league during the course of the season, there will be no relegation from that league (or any league below that league)

7.3.4 and the appropriate number of teams from the leagues below will be promoted to restore the correct numbers.

7.3.5 Should the team finishing in one of the two top places be ineligible for promotion in terms of Rules 4.5, 4.6 and/or 4.7, then the next highest eligible team will be promoted provided that the team in question finished within the top four places (or top six places in the case of M/L2).

7.3.6 In the event of the team qualifying for promotion as described above declining the offer, then the next highest eligible team shall be offered promotion, and if they decline this offer shall pass to the second highest eligible team, provided that the teams in question finished within the top four places (or top six places in the case of M/L2).

7.3.7 Should there be fewer than two eligible teams willing to be promoted then the number of teams to be relegated from the higher league will be reduced accordingly.

7.3.8 Should the relegation of a team result in there being three teams from that club in the next lower league, then one of the club's teams will be relegated from that league to the next lower league. Such a team will replace one of the teams which would have been relegated under rule 7.3.

7.4 There will be no challenge matches.

8. DEFINITION OF A TEAM:

8.1 A maximum of 18 players may be used by a team in a match, of whom 2 must be goalkeepers wearing full protective equipment. If one of the goalkeepers becomes injured
or is suspended, that team can continue to use 17 players including only 1 goalkeeper. If a team chooses not to include a second goalkeeper in the 18 players, they are limited to using 16 players in a match only.

8.2 Should a team field a squad in excess of eleven players, the entire squad shall be deemed to be members of that team and may not play for another team at any time, unless the normal rules of relegation and/or reversion have been followed. (This applies particularly to any one weekend round of fixtures - i.e. a player may not play for one team on one day and then for another on the next). Any substitute is considered to be a member of that team.

8.3 Where a team is proved to have contravened rule 8.1 for any particular match, the opponents will be awarded match points as in Rule 5.1. A R500 fine may also be levied.

8.4 A maximum of 7 substitutes, including a reserve goalkeeper, and 4 management staff may be seated on the team bench. No other persons shall be allowed within the playing area. If there is no reserve goalkeeper then the maximum number of substitutes is 5.

8.5 Each team shall have a captain, who shall wear a distinctive band or ribbon. The captain is responsible for the conduct of his or her team and bench, even while acting as a substitute.

8.6 Another member of the team shall act as captain during the suspension of the designated captain.

9. RELEGATION OF PLAYERS

9.1 No Club shall relegate players from any of its teams which has a bye or for whatever reason, no scheduled fixtures, or which has completed its matches, nor may a player be relegated for the sake of strengthening a lower team. (This constitutes "reversion" and will result in the lower team losing the points, having a score of 0-5 recorded and the club being fined R500).

9.2 In the case of a higher team player being relegated to a lower team, this player shall remain in the lower team for two consecutive matches. Should a higher team player not be available the player may return to the higher team but permission must be obtained from the Hockey Manager.

9.3 No player from a higher team shall play in a lower team in the event of the lower team being short of player/s.

9.4 The penalty for breach of this rule shall be the forfeiture of points and penalties for the team in which the player relegated played in addition to a fine as decided by Council at the February meeting.

10. SUBSTITUTIONS:

10.1 Players from a team squad may not play again in a lower team (or an age group team) in any weekend of fixtures.
10.2 When a higher team is short of players (less than 11 players), a lower team player who has already played, may fill such a vacancy, but only as an emergency and not as a general rule. An emergency is considered to be:

10.2.1 a player who withdraws from a team no more than one hour before the scheduled time of the match;

10.2.2 a player who does not arrive for the match for whatever reason;

10.2.3 if a player is injured while en route to the match or during the warm-up period. If a team has a squad of 11 or more players, no emergency substitution of one player is allowed. Under no circumstances may a player who has already played for a higher team, play again for a lower team in the same round of fixtures.

10.3 The general rule is that no player may play for two different teams in any one week of fixtures - including pre-played or postponed matches. The week shall be understood as commencing on Monday morning and ending on Sunday night.

10.3.1 The exception is that in leagues below M/LTC, a goalkeeper may play for a lower team in a field position. Similarly, a player who normally plays in a field position may act as a goalkeeper in a lower team. This concession shall only apply to a goalkeeper wearing full protective equipment as described in Rule 2.2 of the Rules of Hockey 2013 Code.

10.4 The penalty for transgressing any aspects of these rules regarding substitution shall be the forfeiture of points, by the lower team for which the player played a match and a fine of R500.

11. OFFICIAL MATCHES

11.1 A period of 10 additional minutes is allowed for a team to take the field after the arranged time of the match. Should a team be short of the required minimum number of players (eight) by this time, they shall forfeit the points and a friendly game may be played.

11.1.1 Should a valid reason for the non-appearance or shortage of players exist, the Hockey Manager is to be immediately contacted by telephone. Should the Hockey Manager not be available, a message stating all details date and time of the call is to be left on the answering service. The Executive Committee will issue a ruling as to whether the reason given for the non-appearance of the team is acceptable or not.

11.2 In M/LGC, matches will be played in four quarters of 15 minutes each, with a two minute break between the first and second quarters and between the third and fourth quarters, and a five minute halftime break between the second and third quarters.

11.3 In all other leagues (other than U13 & U15 leagues), matches shall be played in two equal halves of 35 minutes each. Matches in under 13 leagues will be played in two equal
halves of 20 minutes each and the un 15 league will be played in two equal halves of 30 minutes each. Should a match have to be curtailed, the halves will be of equal periods.

11.4 The result of any match will stand if it for whatsoever reason is called off when 20 minutes of the second half have already been played (or 10 minutes of the second half, in the case of under 13 leagues).

11.5 Should a club be forced to concede matches because of a shortage of players, they must cancel their lowest teams first. In the event of a club conceding the points of a higher league team but it continues to play lower league matches, each of the lower league teams will be penalised through the loss of points.

11.6 No dispensation shall be given to the lowest team in a club to postpone or pre-play in the event of a shortage of players caused by higher teams having to be filled.

11.7 Failure to gain permission to postpone a match will result in the fixture being declared null and void, or at the discretion of the Executive, the points will be awarded to the opposition.

11.8 Any side failing to fulfil a scheduled fixture shall forfeit the points. Clubs may not agree to postpone or pre-play a fixture without the approval of the Hockey Manager. Should they do so, both will forfeit the points and no result will be entered in the logs.

11.9 A team must give 24 hours’ notice to the Hockey Manager and to their opponents of their intention to concede a match. Failure to do so will incur a fine of R500 and automatic loss of points.

11.10 Where there is more than one game scheduled on a particular field, all games, except the last, shall finish at least 10 minutes before the scheduled start of the next game. Matches starting late shall therefore have both the first and second half playing times reduced equally in order to conform.

11.11 Should, for whatever reason, a match cannot be played, there will be no sharing of points and the fixture will be deemed not to have been played and so reflected in the logs.

11.12 Except in the case of M/LGC and M/LGR matches, should the appointed umpires not arrive to fulfil their duties, either any other appropriately graded umpire or the captains of each team shall officiate, so that the match WILL proceed. This shall not apply if clubs are given at least 24 hours’ notice that no umpires are available and that they must arrange a suitably qualified umpire themselves.

11.13 Should the appointed umpires not arrive to fulfil their duties at a M/LGC or M/LGR match, any other available and appropriately graded umpire could be used, providing both captains agree. Should no agreement be reached, the match will be played within 48 hours, at a time and venue to be arranged by the Hockey Manager, with umpires appointed by the Umpires’ Association.

12. GROUNDS

12.1 Clubs which have access to artificially surfaced fields shall have the right to play matches scheduled for grass fields on the artificial field. Should any time changes be required to
accommodate these matches, this has to be by mutual agreement with the visiting team. Where the home team does exercise its right to move a match to an artificial surface it must inform the visiting team of this decision not less than 72 hours before the match.

12.2 Floodlit matches will only be played at venues where the lighting meets satisfactory standards. Matches in M/LGC, M/LGR and M/LTC leagues will only be played at venues with an average lighting of 450 lux or more. M/L 2, M/L 3 and M/L 4 matches will only be played at venues with a minimum lighting standard of 300 lux. Clubs in lower leagues may agree to play at venues with lower lighting levels entirely at their own risk.

12.3 Clubs are to submit a lighting report for their home artificial venue to the Hockey Manager before the start of the season. Lighting reports will be valid for a one-year period. The WPHU shall reserve the right to suspend floodlit matches at any venue where the lighting has found to have deteriorated beyond these minimum levels in the interests of safety.

12.4 The playability of any field due to adverse weather conditions or inadequate lighting will be at the discretion of the clubs, or relevant authority, e.g. groundsman. The umpires, however, shall make decisions as to whether the playing conditions will affect the safety of the players concerned.

12.5 All matches in the M/LGC, M/LGR, M/LTC, M/L 2, M/L 3 and M/L 4 leagues shall be played on fields with artificial surfaces.

13. MISCONDUCT

13.1 Any person who is reported for unbecoming behaviour which could bring the Union into disrepute shall appear before the Disciplinary Committee.

13.2 Any red card incident is to be reported in writing by both umpires to the Chairperson of the Umpires Association within 24 hours of the incident occurring. Should such report not be received, the red card will stand recorded, but the match suspensions will be held in abeyance until such time as the Disciplinary Committee has dealt with the incident should it be deemed necessary. Should no action be deemed necessary by the Disciplinary committee, the record of the red card will be expunged after a period of 14 days from the date of the incident.

13.3 A player given a Red Card is automatically suspended for 3 subsequent matches from all hockey activities under the auspices of the South African Hockey Association. The Disciplinary Committee will decide if a meeting should or should not take place, where a decision will be taken to increase or decrease the suspension. The player or his club may appeal against the card within 48 hours. Any appeal is to be accompanied by a monetary deposit of R5 000. This may, at the discretion of the Executive Committee be forfeited if the appeal is unsuccessful. If the Disciplinary Committee decides to meet, such a meeting shall take place within seven (7) days of the incident. Unless the Disciplinary Committee has ruled otherwise, a player who has been given a red card, with immediate effect, may not participate in any fixtures, which includes double headers.

13.4 The same procedure as outlined in paragraph 13.3 will apply to a player who receives a third yellow card during the season, while the player is automatically suspended for the
subsequent match only. The WPHU office will confirm the award of the third card. Any appeal must be lodged within 48 hours of this notification.

13.5 Any suspension decided or confirmed by the Disciplinary Committee shall apply separately to Indoor, Summer and Field Hockey.

13.6 The WPHU shall maintain a register of all yellow and red cards awarded on its website. This list shall be updated on a weekly basis. The Hockey Manager is to be advised immediately should any discrepancy be observed with this list.

13.7 Should a club wish to lodge a complaint with the Hockey Manager regarding the misconduct of a team or the transgression of a rule by a club, such complaint to be lodged in writing, within 48 hours of the match. Should no written report be received, the complaint will be null and void.

13.8 A player receiving a red card will receive an automatic fine of R500. A player receiving a yellow card for umpire abuse will receive a R200 fine.

14. POSTPONEMENT OF FIXTURES

14.1 No fixture may be pre-played or postponed without the permission of the Hockey Manager. No request will be considered unless both clubs are in agreement.

14.2 A fixture may only be postponed if a field is unplayable or if the umpires adjudge that the prevailing weather conditions (as decided at the field) would lead to dangerous playing conditions. No match may be postponed or pre-played for any other reason without permission from the Hockey Manager. There will be no pre-playing or postponements of ANY matches (including already allocated postponed or pre-played matches) for non-hockey reasons.

14.3 In M/L5 and lower leagues (as well as under 15 & under 13 leagues), time changes during the weekend of fixtures may be made by mutual agreement between the teams. The weekend is regarded as any time from Thursday evening to Sunday afternoon.

14.4 In M/L3 and higher league matches, application to change the times of matches within the same weekend of fixtures must be made to the Hockey Manager. No such requests will be considered unless there is mutual agreement between the teams and with the further proviso that the allocated umpires are available.

14.5 Postponements will be granted should a team have three or more players selected for any provincial team, under 18 teams, national teams and masters’ teams. For national team involvement, only one week of fixtures may be postponed. It is the responsibility of clubs to apply to the Hockey Manager for a postponement of a match and to supply the names of the selected players. This application must be made within ONE WEEK of the teams having been announced.

14.5.1 There will be no postponements granted for involvement in the National “Premier Hockey League”.
14.6 Should a team qualify for a pre-play or postponement because of provincial or national duties, the match will be rescheduled by the League Secretary or Hockey Manager and will be played on that date at the time stipulated, with exceptions or changes considered only after application to the Hockey Manager, whose decisions shall be ratified by the Executive Committee.

14.7 Matches postponed because of unplayable fields are to be played within two weeks of the scheduled date. Failure to do so will result in a fine, unless dispensation has been given by the League Secretary.

15. **PROCEDURE TO PLAY POSTPONED MATCHES**

15.1 Any match postponed because of unplayable fields is to be played within two weeks of the scheduled date of the fixture. The home team (or, in leagues where teams play at a neutral or shared venue, the team in the left column), shall offer the opposition club three dates on which to play the match, within two weeks of the scheduled date. In M/LGC and M/LGR, the club making the arrangements shall also be responsible for contacting the Umpires’ Association to have umpires allocated. Should none of these three dates be acceptable to the opposition club, the Hockey Manager will mediate and, after consultation with both clubs, set a date which will be non-negotiable.

15.2 Should the club responsible for offering the dates on which to play not do so within the two week time-frame, they will automatically lose the points, in addition to a fine.

In certain cases the WPHU may appoint a neutral technical officer. Failure today so will result in a fine as listed in point 19.

16.2 In all matches played in the MGC and LGC leagues, it is the responsibility of the home team to have ball boys/girls for the respective MGC and LGC matches. Failure today so will result in a fine as listed in point 19.

16.4 GC teams are responsible for filming of their league matches. It is the home teams’ responsibility to ensure that the matches are filmed and the match footage uploaded onto the VSAS platform. Failure today so will result in a fine as listed in point 19.

17. **PLAYING COLOURS**

17.1 Where the teams have similar playing colours it will be the responsibility of the home team (or the team mentioned on the left of the official fixture list where teams share a common venue) to arrange for a change of playing kit.
17.2 All teams participating in M/LGC, M/LGR and M/LTC leagues shall wear numbered shirts. Numbers are not to be duplicated within the same team.
